SARAH VANDELLA HI-CALIBER HOTTIE

As often as the term “bombshell” gets bandied about these days, its impact has been diluted from a bang to a whimper. But, BOOM! Bring on bodacious blonde **Sarah Vandella**. “My mission is to enjoy as many orgasms a day as I can pull off,” Sarah confesses as she strips off her bra to let her big round bazookas bob free. “I’m into really messy sex. A lot of spit, maybe a little lube...I like things to be nice and gooey.” She spears herself with a dildo and rolls around on the bed, energetically humping and writhing. “I mean, how much fun can you be having if you don’t even break a sweat?” she muses, panting. She leans her head down to drool some warm spittle onto her swollen clit. She sighs and rolls her hips, one hand steering the fuckstick while the other cradles one of her glorious globes. Calling out rapid fire affirmations, Sarah bucks and arches her way to thigh-quaking orgasmic bliss. “Wow,” she gasps, “I really exploded.”

DIRTY SLEAZE FROM ACROSS THE SEAS!

Party girls **Vanda Lust** and **Hannah Sweet** knew each other by sight from Club Ooh La La, the discothèque both frequented every Friday night. But they didn't officially become acquaintances until Victor introduced them. "One of the bartenders asked me to go home with him after La La's closed," Vanda explains, "and I figured, why not? I'm horny, he's cute. But when I met him in the parking lot there was another girl with him." Vanda reaches out to pinch one of Hannah's pert nipples. "Yeah, I wasn't sure I was up for a threeway at first, either," Hannah admits as she leans into Vanda for a kiss. "But I'm so glad I decided to be adventurous." They kneel down on either side of Victor and take turns puffing on his long, hard cigar. "You only live once, right?" Hannah says as Vanda deep throats Victor, resting her chin on his balls. Hannah gets onto all fours and beckons Victor to enter her. Vanda spreads herself open a few inches away from Hannah's face. "But thank god you can cum as much as you want."

FREE CURE
FOR ERECTION PROBLEMS

American Indians discovered miracle drugs in nature; quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong, erections. Chinese used GINSING to increase sexual power, while central Americans used sarsaparilla in the same way. Our Formula Exceeds ALL THESE LENDGARY RESULTS in a single powerful formula for daily use. We've had Many repeat customers since 1974. If you are having erection problems try it FOR FREE!, you won't be sorry!

Stimulex

SCARLETT JOHANSSON'S SHOCKING FULL-FRONTAL NUDES IN *UNDER THE SKIN*!

It's been a long time coming, but sexy Scarlett Johansson has finally come through for us and presented herself COMPLETELY NAKED in her latest film, the arty science fiction thriller *Under The Skin*, now available on DVD and Blu-ray.

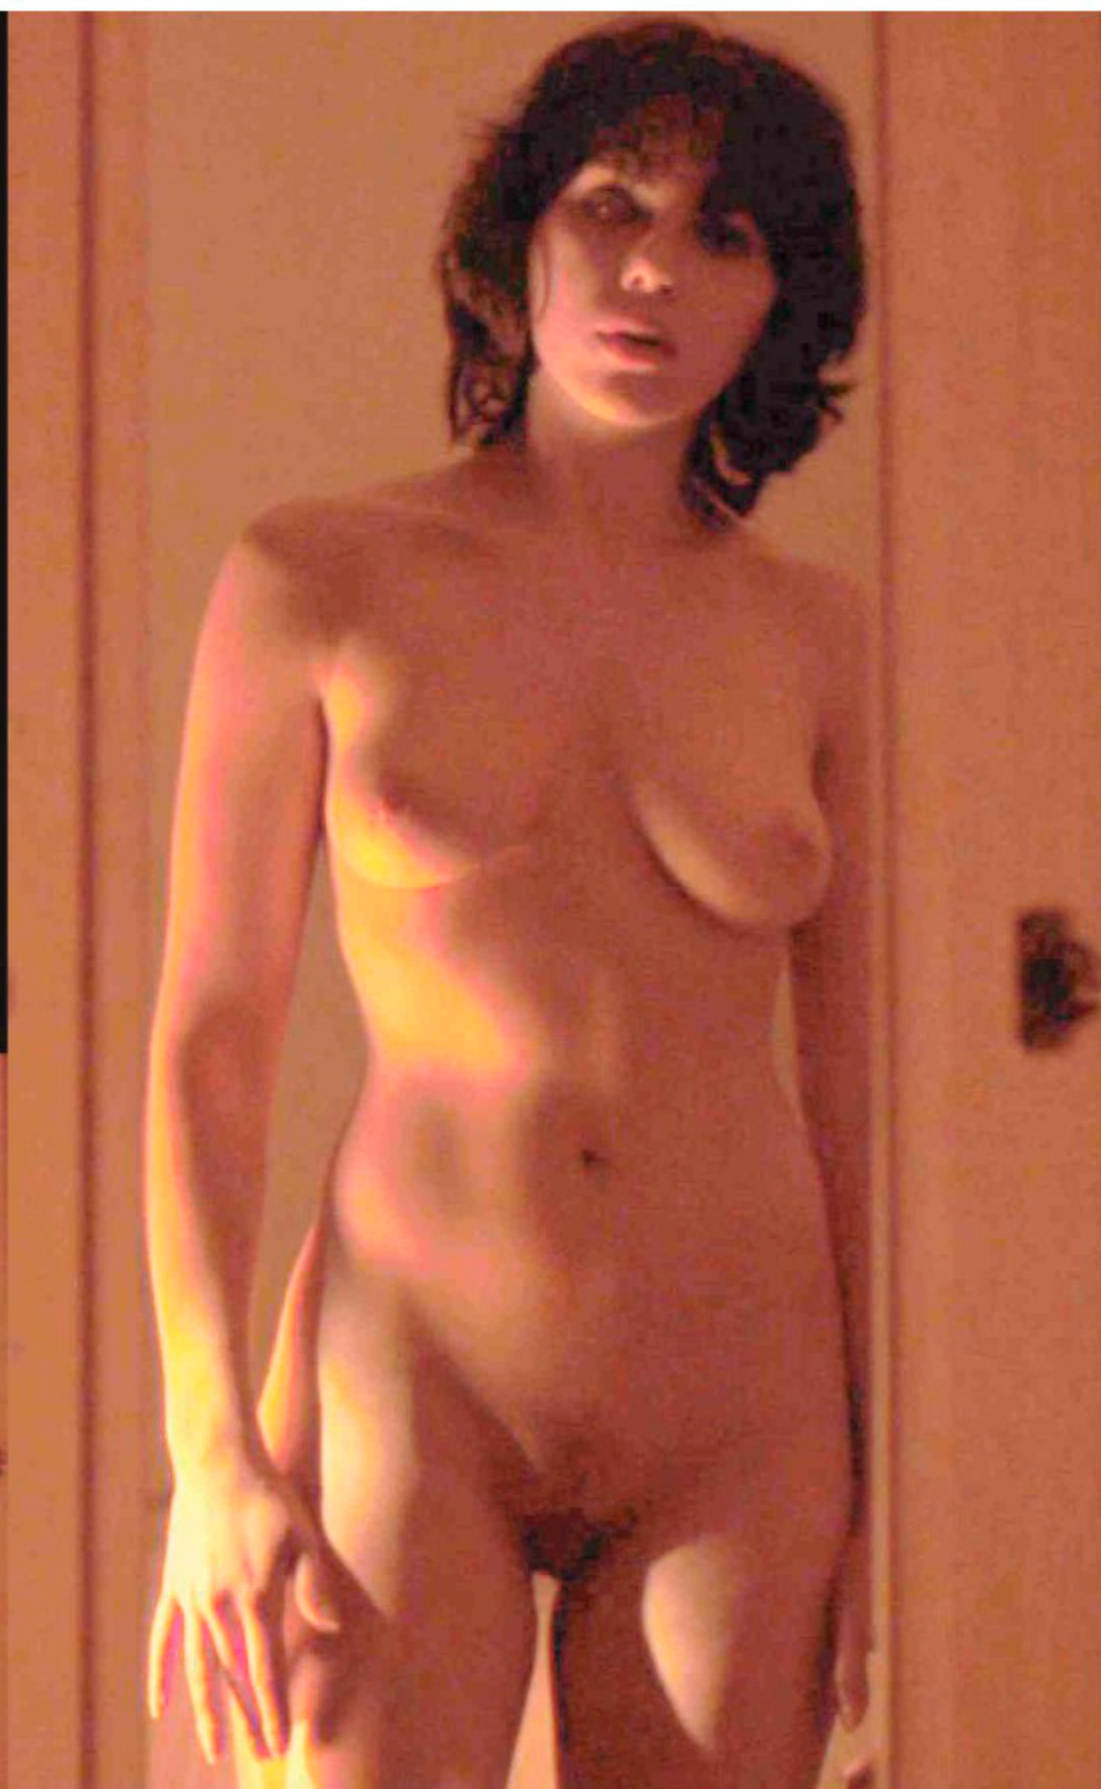

Not that sizzling Scarlett hasn't been keeping our eyes glued to screen for the past ten years, a decade where she's come tantalizingly close to delivering the goods. And so close she has come: witness her delicious derriere as seen through a her silky pink panties in 2003's *Lost in Translation*, her jiggle nip-slip in the 2004 period drama *A Good Woman* and her sexy side-boobage in that same year's *A Love Song for Bobby Hall*. Even legendary filmmaker Woody Allen, no stranger to the allure of younger women, fell victim to "Scarlett Fever" when he focused on his leading lady's most notable assets in his films *Match Point* (2005) *Scoop* (2006) and *Vicky Cristina Barcelona* (2008). And then there's her recent turn as a juicy Jersey girl in last year's lusty rom-com *Don Jon*.

In 2013's *Under the Skin*, an alien life form arrives on Earth—Scotland, specifically—and takes the form of a shapely human played by our girl Scarlett. The extra-terrestrial femme fatale travels across Glasgow and the Scottish countryside looking for hitchhikers and various other unattached men, whom she brings to her remote house and traps them in some sort of gooey black ectoplasm to harvest for unknown but definitely cosmic purposes.

Clad in skinny jeans, a faux fur jackets and a black wig, the face of Scarlett's alien abductress is generally expressionless throughout the film—but her body sure as hell ain't! During the course of her seduce-and-slay missions, Scarlet appears in various states of undress—as well as completely nude—with her boobs, bush, and tush taking center stage!

We're hoping that Scarlet's arty entry into the world of onscreen nudity is the first in a long line of future erotic efforts. But until the next opportunity for Scarlett to strip down arises, we'll spend our time Loving the Alien!

Inside Little Oral Annie

Article by Ramsey Steele

We're psyched to present our second installment of "Fucking ClassiXXX," *HIGH SOCIETY*'s new regular feature that highlights landmark porno films culled from distributor DistribPix's archive of Golden Age adult entertainment! This month, we plunge into the depth of Eighties adult cinema with a leering look at 1984's *Inside Little Oral Annie*, which stars a luscious young lovely whose titular talents are all-too-apparent when watching her film. Happily, DistribPix recently re-issued the film in a gorgeously remastered high-definition DVD.

You gotta have a special feeling for any film that kicks off with its leading lady cooing, "My name is Little Oral Annie and I love sucking dick!" And judging by the enthusiasm she shows in this film, she wasn't lying! A pretty, lithe and bodaciously buxom brunette, Little Oral Annie, born Andrea Parducci, was an undeniable talent when it came to her specialty, and her monikers "Cinderella of Oral Sex" and "Head Mistress" are genuinely well-earned.

Directed by Kenneth Morse, one of the many *nomis de hardcore* porno used by renowned sexploitation filmmaker Joseph Sarno whenever he took on a hardcore gig, *Inside Little Oral Annie* kicks off with a close-up of Annie doing her thing on some lucky faceless dude as the opening credits scroll over the action. Gulping down the stunt cock's tasty treats, Annie turns to the camera and addresses her audience about her love of all things oral—before we plunge into a selection of sequences that find Annie continuing to engage in yet more sword-swallowing and other serious sex action.

A half-dozen sequences follow, punctuated by Annie continuing to inhale her faceless dude's hard-on, interspersed with footage of her walking through Eighties-era Times Square. Some of Annie's more erotically-charged encounters include a steamy three-way with Taija Rae and George Payne, a lusty lesbian encounter with Anne Cummings (double-dong included!), and an over-the-top orgy with Cara Lott, Bobby Astyr, Johnny Nineteen and Klaus Multia. If the scenes featured any starlet other than Annie, we might say the whole thing is a lot to swallow. But we are talking about Little Oral Annie here, and swallowing is what she does best!

Shot on location in New York City (as was its 1985 sequel *Little Oral Annie Takes Manhattan*, which was filmed at the same time by Sarno under the name of Curtis Hollingwood), *Inside Little Oral Annie* is a fun, frisky hardcore suck'n'fuck film. Starring in every one of the film's scenes, Annie carries the project well and shows off her zest for sucking cock (which is captured in some seriously amazing close-ups), as well as demonstrating that she's got some serious skills in other areas as well (led by a sequence where she takes George Payne's cock up her ass). Today, some three decades later, it remains one of the era's most entertaining and erotic fetish-themed entries.

YOGA

FOR LOVERS

Photos & Article
by Jeff Hubris

DIRECTOR: JIM POWERS STARRING: ROSE RED, CHRISTIAN X STUDIO: TRUE LOVE FILMS WEBSITE: MRFILTH.COM

Rose Red is balancing naked on one leg with perfect yoga zen energy while exhibiting great flexibility and composure during the preliminary photos before her scene with the fabled Christian X. As she runs through more complicated poses, even higher levels of balance and elasticity are on display,

implying that this was a very good casting choice.

"I just didn't hire any meth'd out whore that the agent just dropped on me," Director Jim Powers explains. "These girls are professionally trained yoga types who live clean lives."

With the outrageousness contest that pornoland has become, we are

currently experiencing a backlash of actual, "connection based" erotic films that are gaining notoriety within an industry not known for it's subdued nature.

"What True Love Films does is focus on the romance and the couples genre," Powers says. "We just try to be more caring and ro-

mantic than the other companies. When I was crowned the Undisputed King of Romance about a year and a half ago, I just kind of naturally flowed into it. I just completely turned over a new leaf. You'll probably notice how we have the champagne and the cheese and the wine and everything and I dress a lot like Jim Holliday now."

Exemplifying the stereotype of the healthy, American girl next door who would look completely at home carrying a rolled up yoga mat, 22-year-old Rose Red continues to nail the yoga poses, almost too well. She lives in Florida at the moment and commutes to L.A., doing porn in both places. She admits to being an exhibitionist and an aggressive sexual challenge for past boyfriends, in addition to being a bondage freak.

"Oh yeah, I'm the worst with boyfriends," she explains. "Like before I realized I was poly and into all of this I would come very close to

cheating and I felt really bad about it. There was a lot of guilt and I would always like try to calm down the kinkiness. But now that I've started doing porn and being more open about my kinks also, the people I'm with now are just way better, they're so much more open-minded."

There is a great deal more choreography involved with a mixed genre porn portrayal of this type and after a rundown of all possible sex/yoga pose combinations with Rose Red and Christian. Powers is ready to roll video and screams, "Alright! Everybody Quiet! It's Yoga Time!"

After a zen-laden intro, Rose Red ends up in missionary and then rolls over onto her stomach, grabs her heels and blows a kneeling Christian in a "bow" pose. Amazing! Powers is down with the program and fuels the yoga fire.

"This is fantastic!" he emotes during a pause. "You could go into the downward facing dog, or maybe that

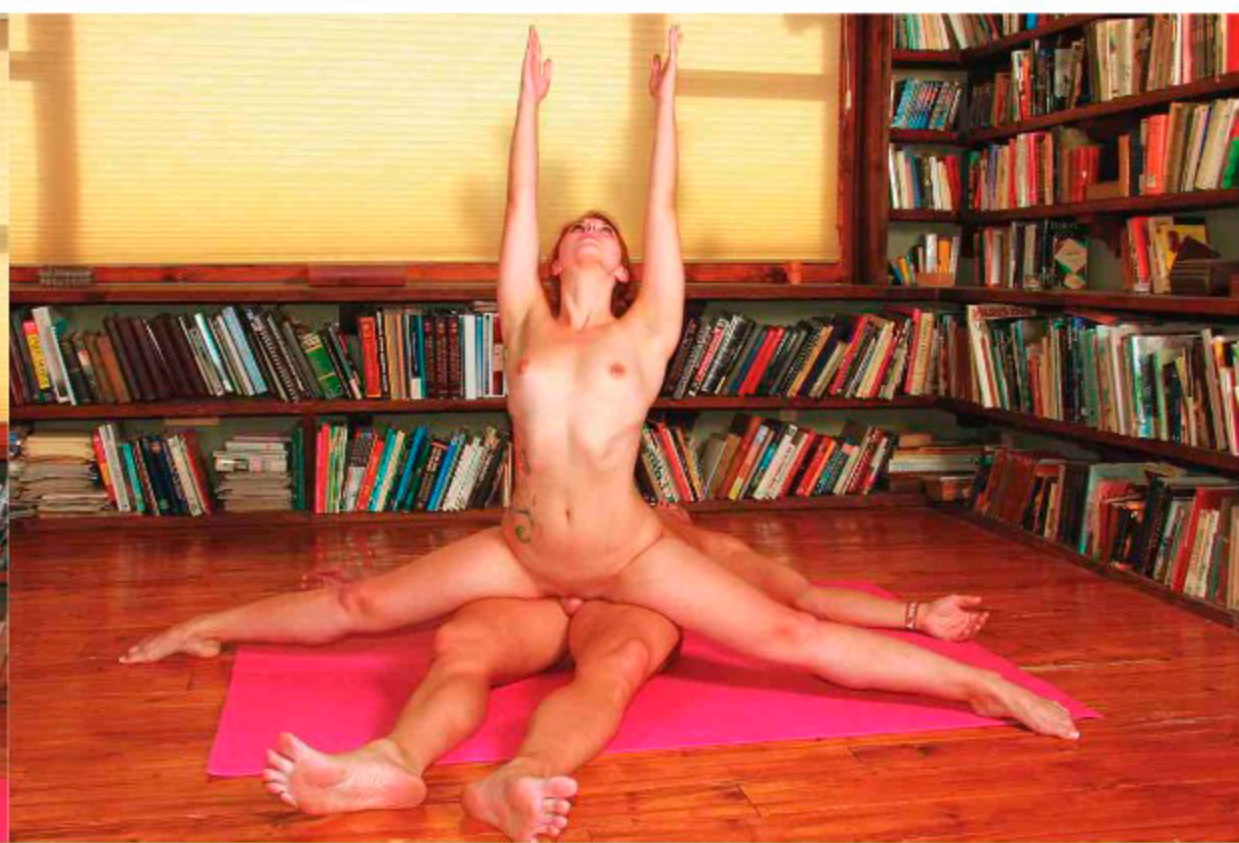

would be a good one for the low warrior pose! Open to the sun, then go to the earth and fill your core!"

AVN Hall of Fame director Jim Powers is a yoga master too! Who knew?

Rose Red demonstrates the rare flexibility of a ballet professional, easily doing the splits while riding Christian's unit in regular and reverse cowgirl. She does the same in missionary, all the time remaining composed and connected. Regular porn sets do not usually require balance and flexibility at this high a level, although it always helps. This is special.

She lays in winged position on the yoga mat and takes a lengthy session of head from Christian. She stays put for a BJ and he blows his load with a facial. For the final outro she sits quietly in Lotus position with jizz dripping face. Quiet and serene, at one with the universe. This is the greatest Porn Yoga movie ever.

ROSE RED Q&A

HIGH SOCIETY: *How did this whole porn thing happen?*

Rose Red: I actually started to get into bondage in my personal life. I was exploring BDSM and bondage and then I started to do fetish and bondage modeling and it sort of progressed from there. I had been interested in forever and between relationships I would do research on it. After my most recent relationship I was like fuck it and I just sort of dived in.

So are you a sub?

I'm a switch. I have an alpha personality so I need someone who is really aggressive but I like to submit more often than not.

What were you doing before porn?

Before porn I was just going to school and I was a manager at a laser tag facility. That was really fun, I really enjoyed it a lot. I had been there for three years but I was really getting bored. When I started doing porn I actually began enjoying my days working rather than dreading them.

I hear you, sister. What was your sex life like before porn?

Ridiculous. I had a lot of sex before porn. I kind of went off the deep end a little bit. I was sleeping with a lot of

different people all of the time when I was about 18. I had some issues but I worked them out. I've always had a super high sex drive and porn is just natural to me.

So it's easy for you to cum during fucking?
Oh yeah. I cum all the time! Constantly!

What was it like when you started fucking in front of people?
It was a really weird experience. At first I was really nervous but then the second it started happening I was like oh my god this is amazing! I totally found out that I was an exhibitionist. I love being watched and it definitely ended up working to my advantage.

What makes you cum when you're having heterosexual sex?
I cum a lot from penetration which is great. And then someone just like grabbing me and holding me tight. I guess a little bit of aggressiveness. It doesn't have to be crazy, super aggressive all of the time but kind of controlled.

How are you with anal?
I like it. I've done a couple anal scenes and I had done anal in my personal life before hand. It just kind of happens.

Do you do DPs?
I don't. I'm working up to it and I haven't done it in my personal life yet. I like to test the waters in my personal life to see if I like it and know if I'll be any good in front of people.

How is your porn sex life different from your regular sex life?

Well usually it's different in that I just don't know the people I'm doing porn with to start with. It's someone new all the time but it forces you to be more of a people person and you get comfortable with people very easily. In my personal sex life I get way kinkier than I do on film sometimes. I like to get tied up a lot and get suspended and stuff like that. A lot of my friends have been doing that for years and years and I'm also poly in my personal life, which means that I can be in multiple relationships with more than one person at a time. I like to have fun and fuck a lot of people, that's what it is.

Do you still like normal sex or are you too far gone?

No I'm not too far gone! I like sex a lot! I still like normal sex. I have different moods. Sometimes I want to have crazy, kinky sex, fuck me hard. Then sometimes I just in a really relaxed mood and I like cuddling and snuggle fucking. Just snuggling and then slip it in. I like to push my limits now so I like to try new experiences. One thing never gets old because I'm constantly trying new stuff.

When you started realizing that you liked bondage did it take more and more to get you there?

No, it's a shorter amount of time because my senses get so heightened it's almost like times 10 almost.

So you just started porn a few months ago. What's going on with your life now?

I'm also still going to school at UCF. I'm studying Exercise Science. I've always kind of done my own thing and I don't really know what I want to do but porn came along and I just fit in and it felt right. I like learning how the body works and all that, but I want to make a career out of this. I don't want to be in this for two years just to make money. I really love what I'm doing and I eventually want to learn how to produce and make my own content and have my own sites up. I just really want to make it my own.

HIGH SOCIETY 47

Sultry sex kitten **Tori Black** redefines flawless. Her lithe body, supermodel's face, and tousled mane of silken hair make her so ferociously appealing that "Sex Lioness" is a descriptor far more befitting of her carnivorous carnality. "I tend to be very aggressive in the bedroom," Tori says, parting her pretty crimson lips into a lush, sensuous sneer. "I make a point of taking my pleasure, I don't just wait around and hope that someone else will provide it for me." She crouches and drags a manicured fingertip along the soft, scalloped petals of her cunt, dipping it in to the dewy pink center. "And I don't feel responsible for making sure that my partner gets off, either. My policy is, I'll help myself to as many Os as I can handle and then if there are any left to be had, have at it." She stirs the finger deep inside her honey pot and growls softly in the back of her throat. When she pulls it out it's glistening with she-sugar. "I guess that makes me a pretty selfish lover," Tori shrugs. "So be it."

KIARA DIANE &
NICOLE ANISTON
**BLONDE
ON BLONDE**

When two dizzyingly hot blondes decide to raid each other's candy dish, it's a sweet treat for everyone. "Licking pussy is my second favorite thing to do in the entire world," Kiara confesses in between mouthfuls of Nicole's sun-bronzed muff. "My very favorite thing is to have my own vage eaten." She arches her back and thrusts her juicy slit upwards to meet Nicole's eager mouth. After they both endure a few toe-curling Os, Nicole brings out a bulbous crystal dong. "Oral sex is great and all, but in my humble opinion a girl needs to have something inside her in order to really cum properly." She gives the toy a few quick licks before inserting it into Kiara's already soaked snatch. "God that feels good," Kiara moans. With a gasp she clenches her cunny muscles tight around her knobby new friend as Nicole deftly maneuvers it to bring her to climax. "Now it's my turn," Nicole smiles as she stands in a wide straddle to allow Kiara unimpeded access to her hole.

DIRECTOR'S CUT

LEXINGTON STEELE

Q&A by
Rob Perez

PORN VALLEY, CA—LEXINGTON STEELE IS, WITHOUT QUESTION, ONE OF THE MOST IMPORTANT FIGURES TO ENTER THE ADULT INDUSTRY. AS A PERFORMER, LEXINGTON AND HIS LEGENDARY COCK HAVE WON MULTIPLE AWARDS, HAS WORKED WITH VIRTUALLY EVERY SINGLE MAJOR FEMALE PERFORMER OVER THE PAST 16 YEARS, AND CONTINUES TO BE ONE OF THE MOST IN-DEMAND MALE PERFORMERS TODAY. IN FACT, IT'S FAIR TO SAY LEXINGTON RE-WROTE THE BOOK WHEN IT COMES TO BEING MALE TALENT. AS A BUSINESSMAN LEXINGTON HAS HAD SUCCESS WITH HIS MERCENARY PICTURES IMPRINT AND IS ACHIEVING EVEN GREATER SUCCESS BEING A PART OF THE EVIL ANGEL DIRECTOR STABLE. ALONG WITH THE MANY FILMS HE'S PERFORMED, PRODUCED AND DIRECTED IN, LEXINGTON IS ALSO THE HOST OF SEVERAL INTERNET SHOWS: *LEXINGTON STEELE LIVE*, A SHOW IN WHICH LEX INTERVIEWS ADULT

TALENT PLUS DISCUSSES THE ISSUES OF THE DAY CONCERNING THE INDUSTRY, AND *FOURTH AND GOAL*, A STRICTLY SPORTS-BASED PROGRAM IN WHICH LEX AND GUESTS DISCUSS THE LATEST STORIES FROM DONALD STERLING TO THE RECENT WORLD CUP MATCHES. IN THIS NEW INTERVIEW SERIES, *HIGH SOCIETY* WILL FEATURE NOTED ADULT DIRECTORS TO DISCUSS THEIR CAREERS. WHO BETTER TO CHRISTEN THIS SERIES THAN "THE BLACK BASTARD" HIMSELF, LEXINGTON STEELE!

HIGH SOCIETY: *Can you first tell me how you feel about being on the director roster of Evil Angel?*

LEXINGTON STEELE: I tell you, I've been in the industry for a number of years. This is my 16th year. I launched Mercenary Pictures in 2003. So starting Lexington Steele Productions with Evil Angel was something that gave me the opportunity to start something new, but not only starting something new but also start it on a higher platform that I had ever been associated with. Mercenary Pictures actually just signed a distribution deal with Pure Play Media. With Evil Angel it gives me a chance to be in line with a company that's been doing it for a very long time and with a brand that certainly brings a cache that I hadn't experienced. So it's been very, very tough. The economics of the industry have changed drastically over the last 10 years. So starting something new from this platform, I saw how broad their lines of distribution actually are by comparison with what I experienced with Mercenary Pictures. It's a wonderful thing from the standpoint that my brand has always been of high caliber. Only now I can add the cache of a high caliber brand that is Evil Angel, and the impact it's had has been so well in how my movies have been received in the marketplace.

And of course you already have a good relationship with Evil Angel founder John Stagliano and with the Evil Angel crew.

Yes. Over the course of my career I've worked with pretty much all the directors at Evil Angel, whether it's been Stagliano, going back to Randy West, John Leslie, all the way to when Jules Jordan was there. Even today with Manuel Ferrara, Nacho Vidal, I worked with

34268

Rocco one time, Joey Silvera. So I've been an individual they've included over the years. My partner Kevin Moore, who's a part of Lexington Steele Productions, he's an Evil Angel director as well. So when he suggested that we partner on a new label that we would put out through Evil Angel, it made perfect sense. And so we went with it.

Tell me about the new POV series with Kevin Moore. What's the title of it and when can we expect the first volume. Who will appear in it? We just completed the first one, *Lexington Steele's Point of View*. It stars Kiara Mia, Capri Cavanni, Phoenix Marie, and it's an extremely exciting POV series I recommend to anyone who enjoyed my other POV series *Pole Position* or *Lex's POV* or *Nightstick Black POV*, they know I have a particular way of shooting my POV. That includes mid to wide shots because my arms are so long that I don't do the whole scene holding the camera right to my eye. I'll give you different angles, different perspectives in a POV movie, so we're excited about that. So many people have asked me, "When is your next POV coming out? It's been a while since *Pole Position* or *Nightstick*." And similarly, people would ask me when my next all black title would come out. Before this film we wrapped up *Lexington Steele's Black Panthers* which we're really excited about. So yeah, there's a few things we have coming out. *Lex Turns Evil*, my first title with the company, won Best Interracial movie at the 2014 AVNs. We're really just making sure we facilitate all the different micro-genres, whether it be anal, MILFs, Black on Black, POV. We got it all. We got even have a petite girls series, *Lex Poles Little Holes*. It's a combination of petite and young. So whether it's Riley Reid or Allie Haze, we incorporate the sexiness that comes with womanhood in that series. My new series is *Lex Likes Them Thick*. That's my personal favorite because I like them thick. [Laughs]

When you say thick you mean like voluptuous, curvy, BBW?

Curvy and voluptuous. I don't shoot BBW because it's not my personal taste so I don't put my money behind it. But with this one you have your Julie Katz's of the world, Kiara Mia's, your Sarah Vandella's, Kelly Divine's. The type of women that are stacked, if you will. The thing is, in consideration of my black girl series *Black Panthers*, one would think that would be chockfull of black girls that are stacked in keeping with a lot of the ethnic movies that are out there. But *Black Panthers*, conversely, celebrates the glamour side of black beauty, thus the title *Black Panthers*. *Lex Likes Them Thick* is for girls of whatever color but they got to be stacked. So those girls got a top and bottom. Just the whole ball of wax.

The Black Panthers series, is it a mix of newbies and veterans?

No, it's just the four or five girls that I wanted to cast at that particular time. For example,

the next volume is going to have Ana Foxxx, Teanna Trump, Porscha Carrera, Yasmine DeLeon and Arianna Aiden. Those are girls that are cast for *Black Panthers 2*. So some of those girls have been around for a minute and some of those girls might be considered brand new like Teana Trump. Ana Foxxx has been around for a minute it's just that I haven't worked with her yet. And perhaps we'll include Misty Stone. Layton Benton will be another girl we look forward to having in that series. The thing too is, there are certain series that I have that don't have to be interracial so we'll also have some of these girls from *Black Panthers* also featured in *Lex Turns Evil*, *Lex's Breast Fest*, so there are a number of different series that we'll see in *Black Panthers* also turn up in some of the other Lexington Steele Productions titles.

Let's talk about Lex Turns Evil which was an AVN award winner. Please tell me what that series is about, and who will you be featuring in that series in upcoming volumes? Volumes one and two are available now. I'm about two to three months away from shooting a volume three only because we have seven different series that we're doing right now. So it'll be a minute before we get to *Lex Turns Evil 3* because we're actually launching into the shooting of *Black Panthers 2* almost immediately. The first one, numbers-wise, did very, very well. So it was recommended to me and Kevin that we might want to go back into another *Black Panthers* because it did very well. Anytime you get a directive from Stagliano it's something you adhere to. And it makes perfect sense because who knows better than him? So we have *Black Panthers 2*

next, after that will probably be *Lexecutioner 2*. Those are the two things that are on the agenda right now.

When you say numbers-wise, you mean DVD sales?
Yes.

And the reason I bring that up, since you are also a businessman, do you see DVD sales slowly declining and the death of DVDs becoming inevitable soon?

The impact of DVDs is diminishing as the primary way that people get their media. That damaged the small and mid-size companies in the industry. As DVD sales began to di-

minish I felt it at Mercenary Pictures. My company was impacted as DVD sales began to go down. But while DVD sales were going down my Video On Demand online commerce began to increase. So as my DVD sales were going down, my online business was going up exponentially. So that was with Mercenary which is a smaller studio by comparison to Evil Angel. Now the larger companies...their titles, their DVD sales have gone down as well but, percentage-wise, the impact is not as great for them as it was for me over at Mercenary. Also, there are certain companies that produce DVDs that people just want to own for posterity. It's like the notion, "Do you buy a hardcover book or a paperback, or do you buy your books through Kindle?" There are certain products you want to own physically. Evil Angel is a brand that people want to own the DVD and keep that for posterity in its entirety. Now there are companies that produce DVDs where there is one good scene out of four or five. So you might want to spend your money watching it online. At Evil Angel and the studios under the Evil Angel umbrella, people want to own that product. So while Evil Angel's DVD sales may have gone down—I really don't know because I've only been with the company for a year—if their numbers were in any way impacted, certainly that impact was not in the way that I experienced it in my other company, Mercenary Pictures.

Lexecutioner, which is your all-anal series...is it always more challenging to find girls willing to appear with you in Lexecutioner because it is anal?

Well, we have one volume to date. The challenge in it being an all anal series, of all the

girls that do interracial there are some that do anal as well but wouldn't choose to do it with me. But that's not a problem because there are enough girls that can do anal and are confident enough to do anal with me. One of the things we convey to the girls that have a little bit of concern or hesitancy in terms of accepting an anal scene with me, I let them know I'm not going to be doing you anally the way I've been doing you vaginally. It's not going to be necessary for me to be at 100 MPH in your ass. We're comfortable at 60 MPH. Obviously if you can you will. Certain times there are girls who have decided to or chosen not to accept a booking because they were concerned with the size thing. But most girls understand that I know what I'm doing perhaps better than 99.9% of the people that are even in this industry. So even with my size they're not intimidated because they know I'm a consummate professional and I'm actually an expert at doing this.

And when you say that you're not bragging. Sixteen years in the business, you do know what you're doing.

I take it seriously enough that I have raised my expert level because I do take it seriously and it's something that I learned early in the business, that if you don't take it seriously, then you'll find yourself outside the industry. But as a male performer if you take this seriously, you can do this as long as you want. A guy's value increases over time. The veteran guy is worth more than a new guy. Conversely with women, it's fueled by new female talent. Every producer would rather have a veteran performing with whatever female talent than a rookie. And so when it comes to veteran male talent, I'm a three-time Male Performer of the Year, inducted into the Hall of Fame in 2009, there's a comfort level that comes with working with me. A lot of people would think the girls would dread the day they have to work with me. What people don't know is that girls enjoy working with me because it's the easiest day at the office they could've had because they're not going to be able to wait for the

guy to be able to do the scene, they know they're going to be pleased while doing what they're doing, and that we're not going to be here all day. Women choose to work with or enjoy working with me not because they're afraid of being pummeled or stretched beyond their limits but because they know it's going to be an easy day at work and it's going to be enjoyable. That is a learned behavior. I was taught that. The guys who taught me were Mr. Marcus and Mark Davis. These are the guys that taught me how to be a male performer.

Lex Is A Motherfucker...who are you looking to cast in upcoming volumes? And do you find MILFs to be more professional, more sensual than younger performers?

I would say when working with MILFs, you're working with a *woman*, and I mean that with capital letters. And you're talking about sexuality. There are two things that happen when a female matures. Her body is going to change. There are certain things that happen that she becomes a woman, from a girl to a young lady to a young woman to a woman. She knows what her pussy can do. She knows how to use that. She's no longer a

child, she's seen a dick or two or four or five. You have an experience level that comes with a MILF and that only comes with time. You also get a measure of sexuality that you don't get with the youth. You get that with maturity and age. When you're working with a MILF she knows how make your dick hard as shit, whether it's the way she says something, the way she looks at you, the way she touches you, the way she smells, all of that. And she knows exactly what she's doing. You look at the young girls, the girls in their early to mid-twenties. These young girls, they don't hold a candle to a Lisa Ann who will have your dick hard as soon as she walks through the door and she comes over and gives you a kiss behind your ear. You're ready to go the moment she comes within a foot of you. She's a grown ass woman who knows the art of sexuality. in the *Motherfuckers* series I celebrate these women who are my age, in the same age group and they're so hot in their early 40s. It really turns me on. I celebrate and appreciate them.

The *Motherfuckers* series I may not shoot as frequently as the others only because I don't believe a MILF series should feature women under the age of 35. If you look at the essence of being a MILF, the connotations are a woman 35 to 40 years old. That's why Janet Mason is a MILF, Jewels Jade, Lisa Ann, Nyomi Banxxx. These are women with a capital W. So the challenge is that the MILFs as a talent pool, if you want to get the older ones, you do have to wait for their availability. You can actually exhaust that talent pool faster than you can exhaust the talent pool where you need an 18- or 19-year-old. There are a few girls we have in mind for the next one, it's just that we haven't gotten to it yet.

Any final words you have for your fans reading this in High Society Magazine right now? I'm a lifetime fan of *High Society*. I used to buy *HS* and trade them either for money or other magazines throughout high school. I'm a huge fan of the magazine, so it's great to be featured and to be interviewed by the magazine.

BEST OF LEXXX

OVER HIS 16 YEAR CAREER, THE MAN KNOWN AS "THE BLACK BASTARD" HAS STARRED IN A FEW PORNO FILMS—997 ACCORDING TO THE INTERNET ADULT FILM DATABASE AS WE GO TO PRESS. LEX HAS WORKED FOR ALMOST EVERY MAJOR STUDIO, HAS DIRECTED A NUMBER OF NOW CLASSIC TITLES, HAS PERFORMED WITH THE TOP FEMALE TALENT IN THE BUSINESS AND WON MULTIPLE AWARDS THROUGHOUT THE YEARS. HERE'S A QUICK RECAP OF SOME OF LEXINGTON STEELE'S MOST POPULAR TITLES AND SERIES.

BALLS DEEP (Anabolic)

Directed by the always impressive Mr. Steele, *Balls Deep* was one of the greatest series ever produced by Anabolic. Usually made up of six scenes with various male and female performers, including Lexington and his colossal cock, each was shot to show us that all these beauties can go balls deep!

HEAVY METAL (Rosebud)

This series is really where the roots of Lexington Steele's Mercenary Pictures lie, as it featured extraordinary girls capable of taking all of Lex all the way in their assholes. Many consider *Heavy Metal 2* to be one of the best gonzo flicks of the decade, but who are we kidding—each of the volumes in this series is a stroke masterpiece. Virtually every second is smoking, every female is perfect and you can watch each volume all the way through without skipping scenes! To this day, *Heavy Metal* stands beside the best of gonzo.

LEX THE IMPALER (Evil Angel & Jules Jordan Video)

Lex and his longtime friend and collaborator Jules Jordan joined forces in 2001 (not for the first time) to create a series revolving around Lex literally impaling porn girls with his massive cock. And to this day, it's still one of the best selling gonzo series. With Jules' great eye and Lex's enthusiasm—such as shouting "Wow!" while banging a beautiful girl—rarely did the duo produce a scene not worth watching in its entirety. The spirit of this series has always been fun and enjoyment and that's what Lex brings to the table with each volume, and it's thriving now at Evil Angel.

CHASING THE BIG ONES (West Coast Productions)

This appropriately named series fit Lexington to a T. After appearing in a dozen of them, Lex became the big man in porn after banging every lady with his very own big one. Whether the scene called for Lex to bang some unsuspecting white girl who had no prior knowledge of how much he was packing, or a sultry black girl who was fully confident she could handle his meat, every volume in which Lex appeared was critically praised. Fan reaction can be summarized as "We want more!"

TORI AVANO

THE HIGH SOCIETY INTERVIEW

Q&A by Rob Perez

PORN VALLEY, CA—THE PORN RANKS HAVE HAD THEIR SHARE OF LEADING LATINA PERFORMERS OVER THE PAST DECADE. FROM OLIVIA O'LOVELY, REBECA LINARES, EVA ANGELINA, TO BRIDGETTE B, NOW ADD TORI AVANO TO THE LIST OF LATINAS WHO AREN'T AFRAID TO STRETCH THEIR HOLES AND TAKE IT BALLS DEEP. TORI HAS ONLY BEEN IN PORN FOR JUST OVER A YEAR, BUT SHE'S ALREADY WORKED WITH THE TOP GUYS IN THE BUSINESS, HAVING HAD BOTH HOLES FILLED TO THE MAX FOR VARIOUS GONZO POWERHOUSE STUDIOS. SHE TYPIFIES THAT HARDCORE LATINA ATTITUDE OF ANYTHING GOES, WORKING HER ASS OFF (LITERALLY) AND TAKING ON ALL COMERS OF ANY SIZE. SHE'S ALSO NOT AFRAID TO SHOW HER DOMINANT SIDE WITH CHICKS, SHOWING THE GIRLS THAT SHE'S THE BOSS OF THEM, AND NOT THE OTHER WAY AROUND. WITH A NICE COLLECTION OF ANAL AND DP SCENES ALREADY UNDER HER BELT, EXPECT TO SEE TORI AVANO GAIN HER WELL-DESERVED ANAL QUEEN STATUS ANYTIME NOW.

HIGH SOCIETY: What kind of Latina are you?

Tori Avano: I am half Mexican and half Puerto Rican.

Where did you grow up?

I grew up in East L.A., typical Mexican. [Laughs]

Typical conservative Mexican family?

Yeah. The family is very tight. It was a typical Mexican family. Pretty much they stick together, that kind of stuff.

Can you tell me about some current projects you're currently working on at the moment?

At the moment I'm just working on getting my site up, shooting stuff for my site. I don't know of any new films that are coming out yet so pretty much the only thing

is my website that I'm trying to build up right now, toriavanoxxx.com.

You've been in the adult industry for a short time. Has the industry been everything you expected it to be?
Yeah, everything and more. It's pretty much the best thing that's ever happened to me and the best decision I ever made.

I'm glad you made that decision. I love watching you perform.
Well thank you, I appreciate it.

How sexually active were you before porn? Were you promiscuous, selective...

I was pretty selective. I wouldn't just open my legs to any guy. They had to be a boyfriend or a really, really, really close friend. Prior to porn I maybe had a relationship with about five to ten guys.

Do you have a preference with guys when it comes to age? Do you prefer older, younger or guys your age?

I'm 23 now so I like guys in their late 20s, early 30s. Age ain't nothing but a number. As long as you present yourself properly and show respect then let's go for it pretty much.

If you weren't doing porn but could be any other type of sex worker what would it be?

That's a hard question. I've never stripped before, I don't escort. I've had about one or two cam shows so far. If anything I would do cam shows.

If you could have a million dollars or great sex for the rest of your life which would you pick?

Oh my god. I would take the million dollars to buy great sex. [Laughs]

I notice that bush is making a bit of a comeback in porn. Where do you stand on that? Are you pro bush or anti bush?
I love bush. I have my own bush and I love

IMAGES COURTESY OF 3rd DEGREE FILMS & EVIL ANGEL VIDEO

I'm not, not going to suck your pussy if you don't have a bush!

it. Some girls can pull it off, some girls can't. I'm all for it. You want to grow a bush, do it. I have no problem with it. If they have a bush great. If they don't that's cool. I don't mind it. I'm not, not going to suck your pussy if you don't have a bush! [Laughs]

If you weren't doing porn now what would you be doing in the real world?

I would probably be going to school full-time for I don't know. I don't know what I would be doing but for sure I would be going to school.

How do you deal with a girl who comes to set with a bad attitude and you have to perform with her?

That's never happened to me so far. But if it did happen I would put my game face on and...two can play that game. But I'm not going to be catty towards her, I'll just let her do her thing and I'll keep to myself. That's how I would do it.

What would you say is more erotic, sex in a church or sex in a cemetery?

Oh, church definitely. That would be crazy.

The first time you saw your pussy and your asshole up close, what was your immediate reaction?

I have no problem with it. I'm all for the human body. I love learning about the human body. I didn't see anything bad about it. It's pretty, pretty. [Laughs]

Do you watch any of your scenes?

Yeah on occasion. Just to criticize myself to see what I can improve on so the next scene I do can be even better. That's the only reason why I watch my scenes, to improve for the next one.

Do you ever get turned on watching yourself having sex?

At times yes but I just watch for self improvement reasons. So it does but at the same time it doesn't because of why I'm watching it.

What won't you do on film? Have you ever turned down a scene that was too bizarre to you?

I pretty much do it all except double anal and double vag. Everything else I do. And I never had to turn down a scene because it was too bizarre yet.

When did you realize your calling to be a porn star?

Just for the simple fact that I knew guys would be watching it and someone getting turned on looking at me in such a sexual way, that just got me really going. I get off knowing that people are watching me. That's how it all worked for me.

So you enjoy being checked out by guys?

To a certain extent yes but not really. Guys are different than porn guys. Regular guys are crazy and act like dogs sometimes. That's not attractive in any way. They start giggling and whistling at you and I'm not into that.

What's the best and worst thing about being a porn star?

The best thing is having sex on camera for money. The worst thing...I don't think there's a bad thing about it in my opinion. I love everything about it. It's been smooth sailing, I haven't had any bumpy roads or anything. Everything has been perfect.

How did you come up with your porn

name? Tori Avano is a great porn name.
I just loved the name Tori. Most porn girls have the same kind of name but Tori is very different. There aren't too many Tori's in the porn business. Avano I got it from one of the Mob Wives. One of the Mob Wives last name was D'Avanzo. I played with the theme a little bit and got Avano. Plus Avano sounds Italian so it keeps people wondering, "Is she Italian, what is she?" In reality I'm Hispanic. It's like a little guessing game.

On a scale of one to ten where would you rate yourself, looks-wise?

Looks-wise an eight and a half or so.

What would you say is your best and worst physical feature?

My best is my butt and my worst is...I don't like my nose. [Laughs]

Are you a very dominant or submissive person sexually?

In my personal life I'm very submissive. But if they call me for a scene and I need to be dominant then that's when the acting part comes in, put your head in the game and be dominant. Do what you got to do.

How old were you when you first had anal and is it something you do regularly in your private life?

I didn't start doing anal until I started doing porn actually. After I started porn I wanted to know how anal feels. One of my friends helped me. In my personal life, because I don't have a boyfriend, I don't have sex on a regular basis but if I did have a boyfriend I would be having anal sex because it's a whole different type of feeling. For me it's amazing.

Have you done gangbangs on film yet?

The most guys I've been with on camera I believe has been two. I haven't done a gangbang on film yet but I'm open to gangbangs. I would love to shoot my first gangbang as soon as possible. But it's not up to me but the companies if they want me or not. But I would love to shoot a gangbang.

Do you masturbate often?

Yeah, like maybe two or three times a day depending on my mood.

What do you think about when you masturbate?

I actually watch porn when I masturbate, believe it or not. I like it all. DPs, creampie are my favorite. That's my go-to category. Creampies, interracial, anything gets me off pretty much.

Have there been any sexual fantasies that have come true since you started doing porn?

No sexual fantasies yet. I don't even think I have any sexual fantasies, but being in porn I've discovered a whole lot of new things about my body that I truly didn't know about before.

THE FUCK FACTS

Birthday: July 24, 1991

Birthplace: East L.A.

Height: 5' 5"

Weight: 125 pounds

Measurements: 34D-27-39

Notable Movies: *She's A Handful* (3rd Degree), *Inked Angels 3* (Evil Angel), *Hot Body Ink 2* (Elegant Angel), *Rump Raiders 5* (Jules Jordan Video), *Orgy Masters 5* (Jules Jordan Video)

34275

I would love to shoot my first gangbang as soon as possible.

Can you describe one of the hottest sex scenes you've ever been involved in?

The hottest one so far has been for Jules Jordan Video, *Rump Raiders 5*. It was an anal scene with Manuel. That was pretty amazing because I always wanted to work with him then I got the chance to work with him. It's not vag but anal. And he's just a great guy to work with. It was amazing.

Is there a new girl in the business you'd like to work with?

New girls I'm not sure. Past girls I've loved working with have been Kagney Linn Karter. We worked together in *Orgy Masters 5* for Jules Jordan. And then Phoenix Marie, she's just beyond amazing. We worked for Jay Sinn at Evil Angel. They were good, very good.

Do you like being naked?

Yeah, especially in the summer when it gets hot and you don't even want to wear clothes.

So what's it like having a job where you can be naked at work?

It's perfect! There's nothing bad about it. Once you get to set, take your clothes off, you can even do your makeup naked. It's perfect. I'm not complaining at all.

Have you had one night stands?

No, I always keep in touch with them especially if the sex was great. [Laughs]

Would you rather win an award for your acting or for your sexual performance?

I think I would go for the sex award because that's truly me.

You haven't really done any acting parts yet. Would you like to?

No, not yet. If the opportunity opened up

for me then I'd go for it, try something new. But I haven't yet.

How do you react and what do you feel when guys say they masturbate fantasizing about you?

Not as Tori I would feel kind of disgusted. Not disgusted but weirded out in a way. It all depends on how the guy approaches me. If he comes at me in a creepy way then I would be very weirded out.

Where's the hottest place you ever had sex in?
At a music event in one of the artist's trailers.

What's one sex toy you can't live without?
My vibrator.

Which movie are you most proud of?
I liked my Elegant Angel movie, *Hot Body Ink*

2. I loved that one. That one was just supposed to be a boy/boy/girl anal but I was just in the mood, I had two dicks and we made it into a DP pretty much. I loved that.

Would double penetration be something you'd recommend civilian women try?

Well, normal women get weirded out by just the thought of anal. Now imagine having the thought of two dicks inside you at the same time? But you only live once so do what you got to do.

What's one superpower you wish you could have?

Seeing through people's clothes and seeing their bare naked bodies. [Laughs]

Anything new? Scenes you want your fans to check out?

I have a new scene I believe that's coming out soon. It's from Devils Films/Pussyman called *Fornication 101*. That's with me, Bonnie Rotten, and two other girls in it as well. That should be coming out from Devils Films soon.

Did you and Bonnie work together in that film?

No, we had separate scenes but in the future I would love to work with her. She's just an amazing performer and amazing overall. I hope I get that chance soon.

What does the future hold for you? What would you love to accomplish in the adult industry?

Awards, win something. Get my name out there, get known. Then hopefully jump behind the camera and direct one movie and see how that goes.

In closing is there anything you'd like to say to the HIGH SOCIETY readers?

I really appreciate this interview, I've had a great time answering questions for you guys, and I hope to talk to you guys very soon.

ISABELLA DE SANTOS
¡AY CARAMBA!

34262

With the advent of personal webcamming for financial gain and personal exploration for those so inclined, an initial foray into porn lite is as simple as making the move. **Isabella de Santos** is an exceedingly hot Colombian/Peruvian Latina boiling over with energy and exotic beauty. Born in the cultural melting pot of Miami she entered the cam world on the advice of a friend. As it does for many, the cam experience played a role as a period of preparation before making an entry into the real-life porn industry. For some the transition is nearly immediate and for others the timeline is more relaxed. "After like two years and a half I decided that I just actually wanted to try porn and check it out to see if I liked it, so I did," she says. "It was very different, I'll give you that. It was fun but it was very nerve-wracking the first time. I loved it and that's why I'm still doing it."

Because all who choose the porn lifestyle have a past, that at some point did not include having sex with strangers in front of a camera and/or thousands of prospective webcam guests, personal life and porn life become two separate experiences that can have different sexual overtones. "Now that I film, I want to connect to the guy that I work with," she explains. "With some it's easier and with some, I guess they're more robotic. You have to consider that you've never met this person so try to make some sort of connection so that when you're in there you can explore the body and try to find out what he likes and let him know that you want him to cum, and find out what you like too." The infinite rainbow of sexual proclivities in pornoland burns brightly and there are few inside the business for whom sex was ever less than a semi-controllable compulsion. True to form, Isabella loves to fuck and runs a highly charged, incessant libido. "I orgasm probably the moment that they stick it in," she laughs. "I'm like, GIVE IT TO ME! But what really gets me off is the kissing. I'm a very passionate woman and I love a man who can show me some good passion before he actually puts it in. I love good kissing, And the eye contact while we're about to get into the whole thing. That really gets me off, to the point that when you stick it in for me, it's just bliss!"

This was a sexual encounter with Ryan McLane committed to video by Spizoo Network Director Ralph Long for their website glamourporn-star.com on just another casual porn day. It was a setup with romance, foreplay, plenty of fucking and a blown load, coaxed out by Isabella's highly functional sugar walls, a feature of her physicality that she also shares a very intimate relationship with. "I like fingers because I'm a little bit of a creeper and I like the feel on the walls inside of me and the end of it and the whole thing," she explains. "The fingers and the vibrator and my best friend is my magic wand. It goes everywhere with me. I just love to have sex and on days off I will probably masturbate about two or three times just to get all fine. It's all about how much you as a person like to have sex, you know?"

As for the future, there is much to anticipate. Pre-existing erotic desires requiring realization have been achieved, so far anyway. "All of my sexual fantasies I've actually accomplished," she says. "I've always wanted to have a threesome. A boy/girl/girl. I haven't done a boy/boy/girl because it hasn't been a real fantasy of mine. It could be that when I find those two golden boys and I can go, you're amazing and you're amazing so let's make something together!" Living for the moment while trying to plan ahead, Isabella likes how things are picking up speed and is in for the long haul. With a porn career in mind, a strategy to control her own future content is also being thought out. "I want to have my own properties and my own production company," she continues. "I really like the whole idea of filming and photography and everything that comes along with it. I do want to keep on shooting. I enjoy it very much!"
